2. Letter No.CE/(Admn.)/ PLA -11368/2010 dated 12.7.2011 from the Chief Engineer (Admn.), PWD, Thiruvananthapuram.

ORDER

Government had revised the Schedule of Rates (SoR) of both civil and electrical items in PWD w.e.f 14.5.2010 as per Govt. Order read as 1st paper above. The Chief Engineer(Admn) in his letter read as 2nd paper above has furnished proposals for revision of the SoR of both Civil and Electrical items based on current calendar year, 2011.

2. Government have examined the matter in detail and are pleased to order that there is an immediate need to revise the SoRs as suggested by the Chief Engineer. But it is also noticed that the remaining period of the current calendar year (2011) is very short as revision of SoRs can only be implemented partially during the current calendar year.

3. In these circumstances, Government are pleased to issue orders with immediate effect revising the SoR by allowing 15% increase in Civil items and 10% increase in Electrical items on SoR 2010 which came into force as per Govt. Order read as 1st paper.

4. The revision of SoR will be effective from the date of this order and will be known as " Revised SoR 2010".
