Dear Sir,

This is with reference to the telecon I had today with Mr. Raju Mathew, Dy. CE. Our organisation, Centre for Good Governance, Hyderabad is planning to conduct a two-day State-level Training Programme on USHA Scheme under the Ministry of Housing & Urban Poverty Alleviation, Govt. of Trivandrum during 1-2 December 2011. In this connection, as per Ministry's direction, we had approached the office of Director, Urban Affairs, Govt. of Kerala. DUA has advised us to request you in this connection as the target participants of the training programme would be mostly engineers in the ULBs working on Slum MIS and Housing Start-up Index (HSUI) of the USHA scheme.

We would like to request you to kindly render your support in organising the training programme and also send participants to the programme (around 40 from the entire state).

A scanned copy of the letter sent to DUA is also attached for your kind perusal and actions.

Thanking you in advance.

Best regards,

Sonamani Singh K.
