specific reasons, such works are to be executed by PWD or any other agency, they may be arranged as 'Deposit Works' to be executed by the selected agency. This should be done invariably on the strength of a resolution to be adopted to that effect by the respective local self Government Institution .

3. In the case of deposit works executed through PWD, the authorised officer in the LSG Engineering wing may deposit the required amount with the concerned Division of the PWD in advance.
