Sub: Online Public Grievance Redressal System for LSGD – creation of District and individual Office Admins -reg-

Government is introducing an “Online Public Grievance Redressal System” for LSGD. The LSGD Engineering Wing is one of the stake holder departments. For addressing the Public Grievance, District Admins are to be created for each District and individual Office Admins for each office under Local Self Government Department Engineering Wing. The State Admin will appoint the District Admins for each District from the list of master trainers who had attended the training programme in online Public Grievance Redressal conducted by IT Mission at respective District Collectorates. The lists of officers who are appointed as District Admins other than Thiruvananthapuram District are listed below. They should create office Admins for each office under their respective Districts.
