**Sub: PRICE Software – Updation of Live Site – Reg.**

As per government direction, all estimates of public works are being prepared using the PRICE software. Central Public Works Department has published Delhi Schedule of Rates (DSoR) 2016 with effect from July 2016. State government has given direction to adopt DSoR 2016 from 1<sup>st</sup> April 2017 onwards. As part of changing from DSoR 2014 to DSoR 2016, certain updations are to be done in the PRICE software.

Also vide GO (P) No. 96/2016/LSGD dated 15.07.2016, Government have given direction that if bitumen is supplied departmentally, then estimates shall be worked out excluding contractor's profit, overhead charges and cost index. These calculations also have to be included in the software.

For including the above, the server needs to be shut down for one day. As such, the live site of PRICE – LSGD (164.100.150.108:8080/price\_lsgd) will not be available on 13.03.2017 – Monday from 2.00 pm onwards.
