**Sub: PRICE Software – Shutting down of Live Site – Reg.**

As per government direction, all estimates of public works are being prepared using the PRICE software. Central Public Works Department has published Delhi Schedule of Rates (DSoR) 2016 with effect from July 2016. State government has given direction to adopt DSoR 2016 from 1<sup>st</sup> April 2017 onwards. As part of changing from DSoR 2014 to DSoR 2016, certain updations are to be done in the PRICE software.

For this, shutting down of PRICE Software live site of all Engineering Departments is necessary. As such, all the instances of PRICE Live site will not be available from 31.03.2017 Friday 10.00 PM to 05.04.2017.

It may also be noted that from April 2017 onwards, estimates can be prepared and sanctions can be accorded only by using DSR 2016.
