No.InspTech-3/180/2015-FIN

Finance (Inspn-Technical) Department
Thiruvananthapuram
Dated : 14.12.2017

CE	Front	The Chief Technical Examiner
DCE		The Chief Engineer, L.S.G Department
AO		3rd Floor Revenue Complex Public Office Building
AA	Sir,	Thiruvananthapuram -695033
JS		Sub:- Accounting & Usage of departmental materials in public works:- reg.

Ref:- Various petitions received in this office.

During inspections from this office, it is noticed that in certain instances the departmental materials are seen not properly accounted but these materials are seen used in work. In spite of the availability of departmental materials such as earth, it is observed that the work is being arranged using contractors own material. Also no action to auction the surplus departmental material is seen adopted in certain cases.

The above situations are leading to heavy loss to Govt. In the above circumstances, it is directed that necessary instructions shall be given to the field units regarding the proper accounting and usage of departmental materials as per rule, to avoid the wastage of public money.

Yours faithfully,

V.M.SURENDRAN.,
CHIEF TECHNICAL EXAMINER (i/c)

Endt No. DB3/5068/17/CE/LSGD, Dt- 20.12.2017

All offices of LSGD(Ew) are directed to follow the above instructions, strictly.

CHIEF ENGINEER
