(6) Judgement of Hon'ble High Court on various writ petitions filed by Junior most Engineering staff dated 31-03-2009
(7) This Office Order of even No. dt. 21.10.2008

ORDER NO.E6/2003/08/CE/LSGD(1) DATED : 05.05.2009.

Government vide GO cited 2nd created a new Engineering Cadre for LSGD by drawing technical staff from various sources mentioned therein. The special Rules for this cadre was issued as per GO cited 3rd and notified as Extra Ordinary Gazette.

Government issued guide lines for the creation of the LSG Engineering Cadre as per GO cited 4th. In accordance with this GO the Chief Engineer, PWD and Irrigation and Administration were directed that if sufficient number of willing hands are not received through options, the balance number should be filled up from the junior most from the particular category to maintain the required strength as per GO cited Ist. As such Government absorbed 247 numbers of junior most Third Grade Overseers from PWD and this office issued posting orders to these officers excluding those obtained stay orders against deployment from the Hon'ble High Court till the date of issue of the order cited 7th. Some officers obtained stay orders from the Hon'ble High Court after the issue of the order cited 7th. Now the Hon'ble High Court vide judgement cited 6th disposed the writ petitions filed by the junior most Third Grade Overseers and the stay orders are vacated.

In the judgement Hon'ble High Court directed the competent authorities to issue posting orders to these officers in appropriate places in accordance with the requirements and in exigencies of service. This is the time of preparation of various developmental schemes and projects in Grama Panchayats for the current financial year. Most of the Grama Panchayat are facing acute shortage of technical staff.

In the above circumstances in continuation to this office order cited 7th 42 Third Grade Overseers absorbed from PWD as Junior most as per GO cited 5th and

obtained stay orders before and after the issue of the order cited 7th are hereby posted to the stations noted against their names in the annexure in appropriate places in accordance with the requirements and exigencies of service.

Requests for suitable posting received from the officers are considered to the extent possible. The officers presently working in LSGD Institutions are now posted in the same stations. Others are posted to the nearest places available now and as per the requirements of the Local Self Government Institutions. Due to non availability of posts in the southern Districts, Third Grade Overseers including ladies are posted to the nearest available vacancies. The request of the Third Grade Overseers will be considered to their choice at the earliest according to seniority, norms and occurrence of vacancies. The officers posted in the same station are directed to join in this cadre formally and report the same to this office immediately after joining.

Two copies of the posting orders are being sent to the concerned individuals. One copy is to be produced before the relieving officer.

The details of posting orders are available in our website www.celsgd.com. The individuals concerned can down load the posting orders for effecting relieving/Joining. The date of joining may be reported in due course.

This order is subject to the decisions based on the judgement cited 6th
