ORDER NO.E9/2001/08/CE/LSGD DATED : 05.05.2009.

Government vide GO cited 2nd created a new Engineering Cadre for LSGD by drawing technical staff from various sources mentioned therein. The special Rules for this cadre was issued as per GO cited 3rd and notified as Extra Ordinary Gazette.

Government issued guidelines for the creation of the LSG Engineering Cadre as per GO cited 4th. As per the GO the Chief Engineer, PWD and Irrigation and Administration were directed that if sufficient number of willing hands are not received through options, the balance number should be filled up from the junior most from the particular category to maintain the required strength as per GO cited 1st. As such Government absorbed 60 numbers of junior most Ist Grade Overseers from Public Works and 23 Nos. from Irrigation Department and this office issued posting orders to these officers excluding those obtained stay orders from the Hon'ble High Court till the date of issue of the orders cited 8th and 9th. Now the Hon'ble High Court vide judgement cited 7th disposed various writ petitiones filed by the junior most Ist Grade Overseers and the stay orders are vacated.

In the judgement Hon'ble High Court directed the competent authorities to issue posting orders to these officers in appropriate places in accordance with the requirements and in exigencies of service. This is the time of preparation of various developmental schemes and projects in Grama Panchayats for the current financial year. Most of the Grama Panchayat are facing acute shortage of technical staff.

In the above circumstances 15 Junior most Ist Grade Overseers absorbed from Public Works Department and one No. from Irrigation Department as per Government Orders cited 5th and 6th respectively who obtained stay orders before and after the issue of the orders cited 8th and 9th are hereby posted to the stations noted against their names in the annexure in appropriate places in accordance with the requirements and exigencies of service.

Requests for suitable posting received from the officers are considered to the extent possible. Others are posted to the nearest places available now and as per the requirements of the Local Self Government Institutions. Due to non availability of posts in the southern Districts, some of them are posted to the nearest available vacancies. Their requests will be considered as per their choice at the earliest according to seniority norms and occurrence of vacancies.

Two copies of the posting orders are being sent to the concerned individuals. One copy is to be produced before the relieving officer.

The details of posting orders are available in our website www.celsgd.com. The individuals concerned can download the posting orders for effecting relieving/Joining. The date of joining may be reported in due course.

This order is subject to the decisions based on the judgement cited 7th
